ABOUT COMPANY

Theotoka Laboratory Solutions Limited is a leading Zambian supplier and installer of laboratory, medical, scientific, and technical training equipment. Established in 2010 and incorporated as a Limited Company in 2019, the company has grown into a trusted provider of high-quality laboratory solutions across multiple sectors.

Driven by continuous learning and innovation, we have developed deep expertise in the laboratory space, enabling us to deliver reliable, compliant, and future-ready solutions to our clients.

Our Areas of Expertise

Medical laboratory equipment and consumables

Pharmaceutical products

Industrial and mining chemicals

Research, industrial, water and sanitation solutions

General medical equipment and consumables

University, agricultural, and mining laboratory equipment and consumables

Technical and vocational training

Safety equipment and consumables

Laboratory fittings and consultancy services

Medical training equipment

WELCOME MESSAGE

At Theotoka Laboratory Solutions, our mission is rooted in a deep commitment to advancing science, healthcare, and education through reliable laboratory solutions. We exist to empower institutions, professionals, and communities with the tools, systems, and technical support required to achieve accurate results and sustainable growth.

We believe that quality laboratory services are not a luxury, but a necessity. That is why we focus on delivering dependable products, innovative solutions, and responsive technical expertise that meet international standards while remaining practical and accessible within our operating environments.

As we continue to grow, our focus remains on integrity, excellence, and partnership. We value long-term relationships built on trust, continuous improvement, and shared success. Our team is driven by a passion for precision, safety, and impact—ensuring that every solution we deliver contributes meaningfully to better outcomes.

Thank you for choosing Theotoka Laboratory Solutions as your trusted partner. Together, we are building stronger laboratories for a healthier and more informed future.

Theotoka Laboratory Solutions

VISION & MISSION

Vision

To be the leading and most trusted provider of laboratory, medical, and scientific solutions in Zambia and the wider African region, recognized for quality, innovation, and lasting impact in science, healthcare, and industry.

Mission

To deliver reliable, high-quality laboratory and medical solutions by supplying, installing, and supporting world-class equipment and consumables, while providing expert consultancy and technical services that meet international standards and exceed client expectations.

Dear Sir/Madam

RE: TAX CLEARANCE CERTIFICATE FOR THEOTOKA LABORATORY SOLUTIONS LIMITED - SECTION

This is to certify that THEOTOKA LABORATORY SOLUTIONS LIMITED trading as THEOTOKA LABORATORY SOLUTIONS LIMITED with TPIN 1018140251 is duly registered for tax purposes.

In addition, this tax clearance certificate has been issued to THEOTOKA LABORATORY SOLUTIONS LIMITED trading as THEOTOKA LABORATORY SOLUTIONS LIMITED pursuant to section 81 B of the Income Tax Act (CAP 323).

This certificate is valid up to 31/12/2026.

Accordingly, in terms of section 81 B of the Income Tax Act, for the duration of this certificate, the above named is free to conduct business in line with the trading license held.

Please note that any established act of non-compliance with the provisions of the Income Tax Act shall invalidate this Certificate.

You are advised to always scan the QR code to verify the validity of this Tax Clearance Certificate especially when submitted on a date different from the print date.

Yours Faithfully,

RICHARD KAPASA

PHARMACEUTICAL LICENCE TERMS AND CONDITIONS

1. Comply with the minimum current good manufacturing practice (cGMP) or Good Distribution Practices (GDP) as may be applicable and to cause to obtain Marketing Authorization in Zambia (where applicable) of all such products as are manufactured and conform to such other standards as specified by the Authority from time to time;
2. Comply with relevant regulations and guidelines specific to the Pharmaceutical Licence;
3. The licence shall be conspicuously displayed at the premises where the activity is conducted
4. Maintain such staff, premises, equipment and facilities for manufacture, or distribution of the medicinal products as applicable at the time of grant of the Pharmaceutical Licence;
5. Where the manufacturer wishes to manufacture additional dosage forms not included in the attached list, submit an application to the Authority for their necessary inclusion and this licence will be deemed to extend to the dosage form so included;
6. Keep readily available for inspection by an inspector of the Zambia Medicines Regulatory Authority durable records of documentation as specified in the guidelines;
7. Notify the Authority of any changes that require an amendment to the licence;
8. A licence that is revoked must be surrendered to the Authority immediately.
